# KEKELI AFANTCHAO

FRONTEND WEB DEVELOPER | GITHUB: KEKELIVA

## OBJECTIVE

Proactive individual looking to leverage skills in several technical fields to develop web applications. Excited to learn from fellow teammates and provide them with my support.

## SKILLS

HTML5, CSS3, ES6+, ReactJS, NodeJS, MongoDB, Bootstrap, Git, Jest, SQL, API, Express

## EXPERIENCE

### ASSEMBLY TECHNICIAN II • KAMAN FUZE • 12/2019 – 7/2020

Applied data from work instructions, routing sheets, and blueprints to ensure the functionality of various assemblies. Collaborated with engineers to develop improvements to assembly processes.

## EDUCATION

### FULLSTACK WEB DEVELOPMENT • 9/2020 • UNIVERSITY OF CONNECTICUT

### B.S. AUDIO ENGINEERING • 5/2018 • UNIVERSITY OF HARTFORD

### A.S. ELECTRICAL ENGINEERING TECH • 5/2018 • UNIVERSITY OF HARTFORD

## LEADERSHIP ACTIVITIES

At the University of Hartford I was a member of the elected board for three out of my five years. Two of those years was as a secretary, the final year was as one of two captains. I managed over 30 players, taught clinics, and handled communications between the team and tournament directors.
